

King High School Marching Lions Parent/Student Handbook Agreement

My son/daughter and I have read the Marching Lions Handbook. We understand:

- What is expected of students in the band program at King High School both in the classroom and outside the school day.
- The grading procedure and that those students in the band program are expected to participate in rehearsals and performances throughout the year.
- The policies regarding absences and tardies as they relate to the students grade.
- The handbook contents including deadlines for forms and any rental fees that are applicable.
- That it is necessary for any Hillsborough County student to maintain a 2.0 cumulative grade point average in order to participate in any sport or extracurricular activity.
- That the band program maintains a web site, www.khsmarchinglions.com, and that information is posted there throughout the year including important dates, news, accomplishments, etc.
- That it is my, the parent/guardian, responsibility to make the web master aware if I do not want my son/daughter individually pictured on the web site.
